Smallest and lightest diesel nozzle  
industry wide

Field repairable

Recommended for International use

Your Safety and the environment  
have been the mainstay concern  
in furnishing the highest quality  
products in the industry.

## N150TRC REPLACEMENT CARTRIDGE

The pre-calibrated cartridge  
design allows personnel to  
complete repairs in the field  
without shipping the Titan™ for  
reconditioning.
